libraries

Filename	Length	Description
UrbanAir - 001 - city park wide - C.wav	03:41	city park, deep rumble, continuous roar from distant traffic, resonating voices
UrbanAir - 001 - city park wide - LR.wav	03:41	city park, deep rumble, continuous roar from distant traffic, resonating voices
UrbanAir - 001 - city park wide - LsRs.wav	03:41	city park, deep rumble, continuous roar from distant traffic, resonating voices
UrbanAir - 002 - city park heavy - C.wav	05:22	city park, airy wash from distant traffic, faint HVAC hum
UrbanAir - 002 - city park heavy - LR.wav	05:22	city park, airy wash from distant traffic, faint HVAC hum
UrbanAir - 002 - city park heavy - LsRs.wav	05:22	city park, airy wash from distant traffic, faint HVAC hum
UrbanAir - 003 - residential deep air - C.wav	04:11	residential area, suburban, very distant city roar, quiet, airy
UrbanAir - 003 - residential deep air - LR.wav	04:11	residential area, suburban, very distant city roar, quiet, airy
UrbanAir - 003 - residential deep air - LsRs.wav	04:11	residential area, suburban, very distant city roar, quiet, airy
UrbanAir - 004 - downtown heavy traffic - C.wav	06:50	downtown traffic, nearby highway entrance, noisy, constant flow of vehicles
UrbanAir - 004 - downtown heavy traffic - LR.wav	06:50	downtown traffic, nearby highway entrance, noisy, constant flow of vehicles
UrbanAir - 004 - downtown heavy traffic - LsRs.wav	06:50	downtown traffic, nearby highway entrance, noisy, constant flow of vehicles
UrbanAir - 005 - city winter wind - C.wav	04:00	urban wind, bad weather, airy, breeze, a few gusts in microphones, deserted street, distant noises
UrbanAir - 005 - city winter wind - LR.wav	04:00	urban wind, bad weather, airy, breeze, a few gusts in microphones, deserted street, distant noises
UrbanAir - 005 - city winter wind - LsRs.wav	04:00	urban wind, bad weather, airy, breeze, a few gusts in microphones, deserted street, distant noises
UrbanAir - 006 - suburban cold air - C.wav	04:02	cold, windy, suburban, remote, deserted open street, quiet
UrbanAir - 006 - suburban cold air - LR.wav	04:02	cold, windy, suburban, remote, deserted open street, quiet
UrbanAir - 006 - suburban cold air - LsRs.wav	04:02	cold, windy, suburban, remote, deserted open street, quiet
UrbanAir - 007 - downtown wind in flagpoles - C.wav	04:25	downtown, echoey, light traffic resonating on high buildings, metallic impacts reverberating on walls, distant flagpole, harbor
UrbanAir - 007 - downtown wind in flagpoles - LR.wav	04:25	downtown, echoey, light traffic resonating on high buildings, metallic impacts reverberating on walls, distant flagpole, harbor
UrbanAir - 007 - downtown wind in flagpoles - LsRs.wav	04:25	downtown, echoey, light traffic resonating on high buildings, metallic impacts reverberating on walls, distant flagpole, harbor
UrbanAir - 008 - downtown diffuse traffic - C.wav	02:36	downtown, mid distant traffic, diffuse, faint dog barks in the distance, light birds, airy urban wash
UrbanAir - 008 - downtown diffuse traffic - LR.wav	02:36	downtown, mid distant traffic, diffuse, faint dog barks in the distance, light birds, airy urban wash
UrbanAir - 008 - downtown diffuse traffic - LsRs.wav	02:36	downtown, mid distant traffic, diffuse, faint dog barks in the distance, light birds, airy urban wash
UrbanAir - 009 - noisy side street - C.wav	03:08	side street, heavy diffuse traffic nearby, break squeals, noisy
UrbanAir - 009 - noisy side street - LR.wav	03:08	side street, heavy diffuse traffic nearby, break squeals, noisy
UrbanAir - 009 - noisy side street - LsRs.wav	03:08	side street, heavy diffuse traffic nearby, break squeals, noisy
UrbanAir - 010 - noisy side street siren - C.wav	02:30	side street, deep city rumble, diffuse traffic in the distance, short ambulance siren wailer, distant motorcycles
UrbanAir - 010 - noisy side street siren - LR.wav	02:30	side street, deep city rumble, diffuse traffic in the distance, short ambulance siren wailer, distant motorcycles
UrbanAir - 010 - noisy side street siren - LsRs.wav	02:30	side street, deep city rumble, diffuse traffic in the distance, short ambulance siren wailer, distant motorcycles
UrbanAir - 011 - wide city square rumble - C.wav	04:44	city square, wide, continuous roar from distant traffic, police siren echoing, quiet, deep urban rumble
UrbanAir - 011 - wide city square rumble - LR.wav	04:44	city square, wide, continuous roar from distant traffic, police siren echoing, quiet, deep urban rumble
UrbanAir - 011 - wide city square rumble - LsRs.wav	04:44	city square, wide, continuous roar from distant traffic, police siren echoing, quiet, deep urban rumble
UrbanAir - 012 - suburban night insects - C.wav	06:19	suburban, small town, quiet night, insects, crickets, very distant traffic, calm, peaceful
UrbanAir - 012 - suburban night insects - LR.wav	06:19	suburban, small town, quiet night, insects, crickets, very distant traffic, calm, peaceful
UrbanAir - 012 - suburban night insects - LsRs.wav	06:19	suburban, small town, quiet night, insects, crickets, very distant traffic, calm, peaceful
UrbanAir - 013 - suburban wet distant traffic - C.wav	03:34	after rain, wet city, damp, humid, water dripping from nearby roof, distant traffic, airy
UrbanAir - 013 - suburban wet distant traffic - LR.wav	03:34	after rain, wet city, damp, humid, water dripping from nearby roof, distant traffic, airy
UrbanAir - 013 - suburban wet distant traffic - LsRs.wav	03:34	after rain, wet city, damp, humid, water dripping from nearby roof, distant traffic, airy
UrbanAir - 014 - suburban deep air distant traffic planes - C.wav	04:36	suburban, small town, very distant traffic roar, high altitude plane rumble, airy wind like presence, deserted, abandoned
UrbanAir - 014 - suburban deep air distant traffic planes - LR.wav	04:36	suburban, small town, very distant traffic roar, high altitude plane rumble, airy wind like presence, deserted, abandoned
UrbanAir - 014 - suburban deep air distant traffic planes - LsRs.wav	04:36	suburban, small town, very distant traffic roar, high altitude plane rumble, airy wind like presence, deserted, abandoned
UrbanAir - 015 - suburban deep air distant traffic - C.wav	05:05	suburban, small town, very distant traffic roar, high altitude plane rumble, airy wind like presence, deserted, abandoned
UrbanAir - 015 - suburban deep air distant traffic - LR.wav	05:05	suburban, small town, very distant traffic roar, high altitude plane rumble, airy wind like presence, deserted, abandoned
UrbanAir - 015 - suburban deep air distant traffic - LsRs.wav	05:05	suburban, small town, very distant traffic roar, high altitude plane rumble, airy wind like presence, deserted, abandoned
UrbanAir - 016 - distant airy traffic - C.wav	04:14	downtown, heavy mid distant traffic, open, constant flow of vehicles
UrbanAir - 016 - distant airy traffic - LR.wav	04:14	downtown, heavy mid distant traffic, open, constant flow of vehicles
UrbanAir - 016 - distant airy traffic - LsRs.wav	04:14	downtown, heavy mid distant traffic, open, constant flow of vehicles
UrbanAir - 017 - wet city light wind - C.wav	03:08	damp city, suburban, calm, diffuse traffic wash, airy, light wind, humid,
UrbanAir - 017 - wet city light wind - LR.wav	03:08	damp city, suburban, calm, diffuse traffic wash, airy, light wind, humid,
UrbanAir - 017 - wet city light wind - LsRs.wav	03:08	damp city, suburban, calm, diffuse traffic wash, airy, light wind, humid,
UrbanAir - 018 - quiet residential street - C.wav	04:02	side street, residential area, suburban, quiet, calm, distant city wash
UrbanAir - 018 - quiet residential street - LR.wav	04:02	side street, residential area, suburban, quiet, calm, distant city wash
UrbanAir - 018 - quiet residential street - LsRs.wav	04:02	side street, residential area, suburban, quiet, calm, distant city wash
UrbanAir - 019 - rail yard distant dog - C.wav	03:32	industrial, rail yard, very distant highway, constant roar, dog having an existential crisis
UrbanAir - 019 - rail yard distant dog - LR.wav	03:32	industrial, rail yard, very distant highway, constant roar, dog having an existential crisis
UrbanAir - 019 - rail yard distant dog - LsRs.wav	03:32	industrial, rail yard, very distant highway, constant roar, dog having an existential crisis
UrbanAir - 020 - industrial rail yard - C.wav	03:33	industrial, rail yard, distant highway, rail switches noises, faint birds
UrbanAir - 020 - industrial rail yard - LR.wav	03:33	industrial, rail yard, distant highway, rail switches noises, faint birds
UrbanAir - 020 - industrial rail yard - LsRs.wav	03:33	industrial, rail yard, distant highway, rail switches noises, faint birds
UrbanAir - 021 - wasteland electrical transformer - C.wav	08:15	industrial, wasteland, distant city, subway train in the distance, loud high frequency buzz, electrical transformer
UrbanAir - 021 - wasteland electrical transformer - LR.wav	08:15	industrial, wasteland, distant city, subway train in the distance, loud high frequency buzz, electrical transformer
UrbanAir - 021 - wasteland electrical transformer - LsRs.wav	08:15	industrial, wasteland, distant city, subway train in the distance, loud high frequency buzz, electrical transformer
UrbanAir - 022 - suburban wide traffic - C.wav	06:02	suburban, industrial, deep rumble, evolving urban ambience, winter, wide

UrbanAir - 022 - suburban wide traffic - LR.wav	06:02	suburban, industrial, deep rumble, evolving urban ambience, winter, wide
UrbanAir - 022 - suburban wide traffic - LsRs.wav	06:02	suburban, industrial, deep rumble, evolving urban ambience, winter, wide
UrbanAir - 023 - suburban distant road - C.wav	04:17	suburban, valley, echoing traffic on very distant road, distant works, jackhammer, insects
UrbanAir - 023 - suburban distant road - LR.wav	04:17	suburban, valley, echoing traffic on very distant road, distant works, jackhammer, insects
UrbanAir - 023 - suburban distant road - LsRs.wav	04:17	suburban, valley, echoing traffic on very distant road, distant works, jackhammer, insects
UrbanAir - 024 - empty parking lot - C.wav	03:09	city parking lot, airy, light wind in trees, quiet
UrbanAir - 024 - empty parking lot - LR.wav	03:09	city parking lot, airy, light wind in trees, quiet
UrbanAir - 024 - empty parking lot - LsRs.wav	03:09	city parking lot, airy, light wind in trees, quiet
UrbanAir - 025 - wet city diffuse traffic - C.wav	05:38	light rain, wet city, damp, humid, side street, diffuse passes bys echoing in the distance
UrbanAir - 025 - wet city diffuse traffic - LR.wav	05:38	light rain, wet city, damp, humid, side street, diffuse passes bys echoing in the distance
UrbanAir - 025 - wet city diffuse traffic - LsRs.wav	05:38	light rain, wet city, damp, humid, side street, diffuse passes bys echoing in the distance
UrbanAir - 026 - downtown rooftop - C.wav	04:34	downtown traffic, rooftop, heavy traffic, wide, echoey, motorcycles
UrbanAir - 026 - downtown rooftop - LR.wav	04:34	downtown traffic, rooftop, heavy traffic, wide, echoey, motorcycles
UrbanAir - 026 - downtown rooftop - LsRs.wav	04:34	downtown traffic, rooftop, heavy traffic, wide, echoey, motorcycles
UrbanAir - 027 - urban skyline distant highway - C.wav	05:09	downtown traffic, rooftop, heavy traffic, wide, echoey
UrbanAir - 027 - urban skyline distant highway - LR.wav	05:09	downtown traffic, rooftop, heavy traffic, wide, echoey
UrbanAir - 027 - urban skyline distant highway - LsRs.wav	05:09	downtown traffic, rooftop, heavy traffic, wide, echoey
UrbanAir - 028 - urban skyline distant highway - C.wav	04:53	downtown traffic, rooftop, heavy traffic, wide, echoey, insects, crickets
UrbanAir - 028 - urban skyline distant highway - LR.wav	04:53	downtown traffic, rooftop, heavy traffic, wide, echoey, insects, crickets
UrbanAir - 028 - urban skyline distant highway - LsRs.wav	04:53	downtown traffic, rooftop, heavy traffic, wide, echoey, insects, crickets
UrbanAir - 029 - airy suburban wide - C.wav	03:29	suburban, very distant traffic, airy, wind like ambience, quiet, engines resonating in the distance
UrbanAir - 029 - airy suburban wide - LR.wav	03:29	suburban, very distant traffic, airy, wind like ambience, quiet, engines resonating in the distance
UrbanAir - 029 - airy suburban wide - LsRs.wav	03:29	suburban, very distant traffic, airy, wind like ambience, quiet, engines resonating in the distance
UrbanAir - 030 - city rain very wet - C.wav	03:09	after or whilst rain, wet city, damp, humid, water dripping from nearby roof, airy
UrbanAir - 030 - city rain very wet - LR.wav	03:09	after or whilst rain, wet city, damp, humid, water dripping from nearby roof, airy
UrbanAir - 030 - city rain very wet - LsRs.wav	03:09	after or whilst rain, wet city, damp, humid, water dripping from nearby roof, airy
UrbanAir - 031 - small town distant road - C.wav	06:11	suburban, small town, very distant traffic, deep rumble, light wind, nice resonating motorcycle
UrbanAir - 031 - small town distant road - LR.wav	06:11	suburban, small town, very distant traffic, deep rumble, light wind, nice resonating motorcycle
UrbanAir - 031 - small town distant road - LsRs.wav	06:11	suburban, small town, very distant traffic, deep rumble, light wind, nice resonating motorcycle
UrbanAir - 032 - city park winter air - C.wav	03:54	city park, downtown, very diffuse traffic, wide, continuous roar, airy, cold
UrbanAir - 032 - city park winter air - LR.wav	03:54	city park, downtown, very diffuse traffic, wide, continuous roar, airy, cold
UrbanAir - 032 - city park winter air - LsRs.wav	03:54	city park, downtown, very diffuse traffic, wide, continuous roar, airy, cold
UrbanAir - 033 - industrial factory rumble - C.wav	04:32	industrial, distant highway, factory rumble and light activity, faint beeps, windy
UrbanAir - 033 - industrial factory rumble - LR.wav	04:32	industrial, distant highway, factory rumble and light activity, faint beeps, windy
UrbanAir - 033 - industrial factory rumble - LsRs.wav	04:32	industrial, distant highway, factory rumble and light activity, faint beeps, windy
